MISSION21

Welcome to Mission21

We are excited about what is going to happen as we gather together in Sheffield for Mission21. This is a significant gathering of Christian leaders with a passion for planting the sort of churches that will help the unchurched majority of Britain's population to become followers of Jesus Christ.

Mission21 offers an opportunity to share with one another what God is doing; to be encouraged as we realise just how diverse the church planting / fresh expressions movement has become and to listen together to what God is saying to us about the future shapes of church and mission in Britain.

We have tried to draw together a programme that reflects the breadth of what God is doing in our nation at the moment, this is an almost impossible task – apologies to those who are doing important work that will not be mentioned in the main programme. We hope that those of you who have stories to tell will find the opportunity as we gather together. Please use the graffiti wall, text messages and workshop sessions to share stories, make the time to sit down with people over a cup of coffee to chat, encourage one another and pray.

May God, the Holy Spirit inspire, encourage and challenge each of us as we listen to one another and to him.

Graham Horsley (on behalf of the organising group)
